

current message series

Our jam-packed lives can feel like a wall of noise. Instead of living from a place of rest and purpose, we're constantly putting out fires and powering through one more day. But what if we stop to rethink the rhythms in our life? What if we start getting intentional about what we're doing—and why we're doing it? God has plenty to teach us about creating goodness out of chaos. So we're spending four weeks learning to carve sweet, freedom-bringing rhythm from everyday noise.

today

Brian Tome presents a case study in rhythmic living.

FIRST

time here? OR SECOND, OR THIRD, OR TENTH...

Hang around.

The weekend service is only a part of what goes on around here. It's fine to keep hanging out in the rafters, but when you're ready for some company, come on down. We've got a ton of ways for you to get connected—community groups, serving projects, big and small events. Stop by the Info Center and ask for the latest. We'd love to meet you.
