CONTEXT

WHO WE ARE AND WHY WE DO WHAT WE DO

current message series

Three years ago, we wrestled with some of the all-time heavyweight questions to faith: big, hairy questions about science, history, suffering, judgement, hypocrisy and grace. Now it's time for the rematch. Join us as we go head to head with the big ones.

Hi.

We're happy you're here. In fact, we're happy as big fat clams. We won't ask you to stand and shout your name, but as soon as you want to start meeting some people, swing by the Info Center and we'll start the introductions.

7 HILLS
we die on

growth

We don't expect anyone who walks into Crossroads to be a committed Christ-follower, but we do expect everyone who is around our community for any length of time to be growing. We expect every person to be moving closer to reflecting the complete image of Christ in every area of life. This is a safe place for everyone. But safe doesn't mean comfortable. The answers aren't always comfortable. In fact, we often grow only when we are pushed out of our comfort zone. (Colossians 1:10)

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.
