From the streets of Soweto to Cleves, come hear stories from the road. Stories to fill us with wonder, with bravery, with belief—and give us all something to move toward.

TODAY: SIGNS OF A CHANGED CITY

7 HILLS

we die on

Growth

We don't expect anyone who walks into Crossroads to be a committed Christ-follower, but we do expect everyone who is around our community for any length of time to be growing. We expect every person to be moving closer to reflecting the complete image of Christ in every area of life. This is a safe place for everyone. But safe doesn't mean comfortable. The answers aren't always comfortable. In fact, we often grow only when we are pushed out of our comfort zone. Colossians 1:10

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.
