HILLS

we die on

WE ARE COMMITTED TO:
reproduction

Reproduction is about recognizing something that God has created and then reproducing it in his name. We want to send God's message out into the world by reproducing everything from the weekend program to CDs of each message series. Crossroads wants to be a place where Christ-followers reproduce Christ-followers, leaders reproduce leaders and churches reproduce other churches.

Matthew 28:19-20

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center to read the rest of 'em.

This is the place to ask the tough questions, be yourself, react to what God says in the Bible and see things most people never show you. Connect with other teens with similar interests, in groups that are just the right size. Then experiment. There are no planned outcomes or exercises that adults are trying make you do. Come and see what happens.

* AS IN FREEDOM

02 27-28

The Program ✕

I hope the end of the Olympics doesn't mean the end of McDonald's sweet chili sauce.

Free.*

current message series

We might not be as free as we think we are. Even worse, we may have been duped into believing that a relationship with God is about layering on rules and restrictions.

The Bible says, "Where the Spirit of the Lord is, there is freedom." Not fear. Not guilt. Not morality or religion.

You can experience the kind of joy you thought only kids could have. God's offering real freedom. Get yours.

today

We'll talk about how God's desire for us has always been freedom, and how Jesus is the ultimate freedom giver.

★ AS IN FREEDOM

FIRST

time here? OR SECOND, OR THIRD, OR TENTH...

Weekends at Crossroads

Weekends here are for anyone who wants to seek God, from those exploring whether or not God even exists to committed Christ-followers. We present basic, biblical truths and show how they apply to our everyday lives. And we have a lot of fun doing it—we don't believe in disconnecting from the things we enjoy, the music we like or a great joke just because we're "in church."

TODD & CATIE

Todd and Catie Bretz lead Jr. High students in CSM at Crossroads Mason. They say they learn more from the students than they teach.

What is your favorite thing about serving?

We love volunteering with a group that has so much energy and engages in the community. We've made blankets for folks at the Ronald McDonald House, given away pumpkins to total strangers, and started a fund to purchase livestock and water filters for needy families halfway around the world.

What's the biggest challenge in working with students?

Communicating God's word to the students in a way that relates to their lives.

If you're interested in serving in CSM, contact Paul at powens@crossroads.net.

your kids will LOVE this

But not as much as they love you. We are pumped to have your kids in Kids' Club for an hour every week, but you are the real spiritual leader in your child's life. Does that freak you out? We've got you covered. You can see what they learned each week in kids club by checking out www.crossroads.net/kc.

Also, be on the lookout for parent pages that provide fun suggestions of things you can do at home to help lead your kids. Don't worry, our suggestions for home aren't nearly as messy as the weekend activities.

If you've got questions about Kids' Club or you'd like to spend time hanging out with some great kids, contact Kim Botto in Oakley at kbotto@crossroads.net or Beth Peery in Mason at bpeery@crossroads.net.

Free.* MUSIC DOWNLOAD

Original music from the Free journey is now available online. Visit crossroads.net/downloads. Or, if you're not that technically savvy, pick up a Free CD at the Audio Center.

You can also download the music and videos your kids will experience in Kids' Club during the journey at crossroads.net/kc.

did you KNOW

That Daylight Saving Time begins the second Sunday in March?

Don't forget to set your clocks up on Saturday, March 13 (DST begins at 2am on Sunday, March 14). If you don't, you might be an hour late for the weekend's services. What was 8am is now 9am. Yes, you lose an hour of sleep, but it means spring is getting closer, so don't be so "the glass is half empty."
