HILLS

we die on

WE ARE COMMITTED TO:
doing life together

We aren't interested in being a place where a lot of people get together for an inspiring service but never move beyond the casual, arm's distance relationships of an auditorium. We want to grow by really "doing life together." People who grow in their relationship with God also grow in their friendships with each other, moving beyond the Auditorium in small groups, Community Groups and through serving. Real community is knowing and being known, loving and being loved, celebrating and being celebrated, serving and being served.

Hebrews 10:24-25

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.

CSM is the place where teens connect with others their own age with similar likes and interests. We look at the Bible, pray and react to what we think. We're not about entertaining teens; we're about action. We see the world teens live in, and engage in it with love. It's worth checking out.

father's day FACTS

Impress your friends at parties with how much you know about the holiday that celebrates dear old dad.

According to Hallmark, **Father's Day is the fourth most popular holiday to send a card, with approximately 94 million cards sent each year**—beat out by Christmas, Valentine's Day and of course, Mother's Day. Sorry, Dad. At least you beat out Sweetest Day.

Even in the age of casual workplaces, **the number one gift for Father's Day continues to be the necktie**, according to the U.S. Census Bureau. Still to be determined is why the U.S. Census Bureau is tracking Father's Day gifts.

The tradition of Father's Day is said to have been started by Sonora Louise Smart Dodd of Spokane, Washington. She wanted to honor her father, William Smart, a widowed Civil War veteran, whose birthday fell on June 19. You're starting to feel a little guilty about that whole necktie thing right about now, aren't you?

Father's Day was declared a national holiday in 1972 by Richard M. Nixon. And it always falls on the third Sunday in June, so now that you know, you no longer have an excuse to forget. So, show dad some love and run out and buy him a new necktie.

The Program

Why doesn't anyone ever say "Hi, Dad" when they're caught on camera?

current message series

Jesus attracted a lot of attention. Whether He was performing miracles or teaching insights, people were drawn to him and they traveled long distances to see “the greatest show on Earth.” Join us as we explore what made Jesus so attractive, and why people are still drawn to him today.

today: Jesus spoke hard truth

We're talking about how Jesus didn't play to the crowds.

meet CARRIE

Carrie Cayse serves as a leader in First Impressions in Mason. She helps schedule volunteers, welcomes new people, distributes programs, and serves as a resource if anyone has questions.

How long have you served?

Two and a half years. I believe serving has allowed me to see the many ways to get involved and to be a more active part of the Crossroads community. Serving makes our big church feel smaller.

What attracted you to First Impressions?

The first time I came to Crossroads, it was pretty overwhelming, but at the same time I felt welcomed. I wanted to be a part of making someone feel comfortable and having a strong sense of belonging.

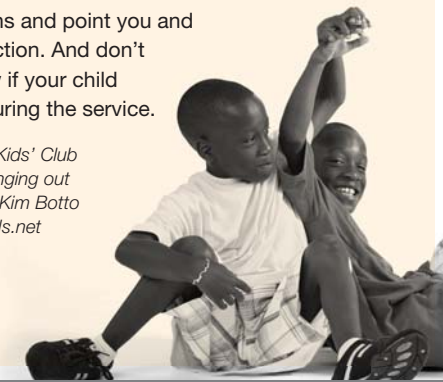

If you'd like to serve with First Impressions, visit crossroads.net/engage to get started.

your kids will LOVE this

All kids from birth through sixth grade are invited to **Kids' Club**, a fun learning environment designed just for them. Kids' Club is free, totally secure and offered during all services. Any blue-shirted, name-tagged volunteer will be happy to answer questions and point you and your kids in the right direction. And don't worry—we'll let you know if your child needs you at any point during the service.

If you've got questions about Kids' Club or you'd like to spend time hanging out with some great kids, contact Kim Botto in Oakley at kbotto@crossroads.net or Beth Peery in Mason at bpeery@crossroads.net.

Are all the people working on the weekend on staff?

Find out the answer to this and any other questions you have at the next Context Live event this **Sunday, June 19, at 1pm at Crossroads Oakley**. You'll also discover more about the vision behind Crossroads and how you can get involved (if you want). Meet some people. Get some questions answered. Eat some (free) lunch.

***Childcare provided.**

relax

It's OK to laugh at church. We don't take ourselves too seriously, but we take what we do VERY seriously. As a result, we like to make fun of ourselves, and sometimes, the Bengals. We believe that God has a sense of humor and that you should, too. But if you don't think it's funny, feel free to email us, and later we'll have a good laugh at what you wrote. (Kidding! See? We did it again.)

LAST WEDNESDAY
