WHAT IS GAME CHANGE?

The Game Change campaign is about four initiatives in three countries—through one community. For more info, visit crossroads.net/gamechange.

WHY + SOUTH AFRICA

Decades of Apartheid, along with HIV/AIDS and tuberculosis epidemics, have destroyed families and relationships, and taxed economic and support systems in South Africa. That's why Crossroads has invested nearly a decade there, working to bring relief and reconciliation to communities in need.

We believe God is calling us to continue our work in South Africa, but we can't do it alone. That's why we are partnering with innovative, locally based organizations that are already changing the game in South Africa. Together, we'll work to bring holistic care and healing where it's needed most, and we'll build relationships that can change lives on both sides of the ocean.

PRAYER EXPERIENCE

APRIL 9-14 CROSSROADS OAKLEY

FIRST TIME HERE?

welcome.

We're glad you're here. Crossroads is a place for people who might have given up on church, but not on God. We present basic, biblical truths and show how they apply to our everyday lives. Check out the Info Center to learn more.

YOUR KIDS WILL LOVE THIS

All kids from birth through sixth grade are invited to Kids' Club, a fun learning environment designed just for them. Kids' Club is free, totally secure and offered during all services. Any blue-shirted, name-tagged volunteer will be happy to answer questions and point you and your kids in the right direction. And don't worry—we'll let you know if your child needs you at any point during the service.

GAME CHANGE GUIDES

In the fall of 2010, the Crossroads community went through a spiritual journey that culminated in financial commitments to the Game Change Campaign. If you'd like to go on the same journey, pick up a Game Change guide at the Info Center. Please note the most updated initiative information is found online at crossroads.net/gamechange.
