## A black and white photograph of three children. A boy with curly hair is lying on his stomach in the foreground, resting his chin on his hands. Behind him, a boy with short hair and a girl with long hair are sitting and smiling. The boy is wearing a striped shirt, and the girl is wearing a light-colored dress. They are all looking towards the camera.

### current message series

God designed us for work. And no matter what we do, our everyday jobs can be redeemed as sacred callings—whether we’re attending meetings, studying for exams, fixing things or raising kids. Join us as we learn how to find spiritual significance in our work.

### today

We’re troubleshooting what prevents us from loving our jobs.

### Weekends at Crossroads

Weekends here are for anyone who wants to seek God, from those exploring whether or not God even exists to committed Christ-followers. We present basic, biblical truths and show how they apply to our everyday lives. And we have a lot of fun doing it—we don’t believe in disconnecting from the things we enjoy, the music we like or a great joke just because we’re “in church.”
