

This image shows a full page of blank, lined paper. It features approximately 28 horizontal blue or grey lines spaced evenly apart, typical of notebook paper. The lines extend across the entire width of the page, leaving small margins at the top and bottom. There are no vertical lines, text, or other markings on the page.

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.

Force Feed

We've all heard the saying, "you are what you eat." That's also true about how we feed our heart, mind and soul with messages we receive through TV, radio, books, the web and even our mobile devices. Because we're constantly conformed by the messages we're fed, we need to be discerning about the agendas they represent, and how to make space in our lives to be transformed by truth.

FIRST

time here? OR SECOND, OR THIRD, OR TENTH...

Welcome

Whatever your thoughts on church, whatever your beliefs about God, you are welcome here. We won't make assumptions about what you believe. You won't be asked to wear a nametag or make a speech. We're just glad you're here, and we hope you enjoy yourself.

this

AREA 56 has everything a 5th or 6th grader wants (but you don't want in your house): a sweet live band, a ball cage, chocolate syrup and a room full of tweens who don't think you're cool. These kids are a little too old for Kids' Club, and a little too young for CSM, so we gave them a space just to be themselves. AREA 56—even the smell is unique (we'll teach them about God, not deodorant).

There are several groups available this spring.
