time here? OR SECOND, OR THIRD, OR TENTH...

Techies welcome.

We are all about keeping up on the latest technology around here, (the sound system on the West Side is off-the-charts) so you are welcome to use your iPhone, Android, tablet, etc. to take notes during weekend services. We just ask that you be mindful of the folks around and refrain from things like checking your Facebook, texting, watching YouTube or playing games.

Want to lead a group?
Currently leading a group?

We are getting into groups so more people can experience life change. For groups to be good, we need leaders. Even if you don't know all the details of your group, you can sign up at crossroads.net/groups. If you need people, we'll help you find them through a brand new tool. If you're already leading something, still sign up, we want to share resources with you.

Not ready to lead? **Don't worry**, we'll have information about participating in a few weeks.

week of **PRAYER & FASTING**

August 15-19

For one whole week, we'll be praying and fasting for the upcoming ministry year—and we want you to be a part of it. It's a spiritual exercise to draw us closer to Him personally and collectively. We'll be doing two things: **fasting from food or something else** and **praying at sites (and at home) during that time.**

You may not be able to do everything and that's OK. Find more info and ideas at crossroads.net/prayerandfasting.
