Heard about Kids' Club but want more info before dropping off your kids or signing up to serve? Take a behind-the-scenes tour.

At Crossroads Oakley, Kids' Club 101 meets every Sunday at 10am (just check in at the Kids' Club Info Center). At Crossroads Mason, you can sign up for an individual tour of Kids' Club by e-mailing [bpeery@crossroads.net](mailto:bpeery@crossroads.net).

We'll show you what we do and tell you about all kinds of opportunities to get involved. And even if you're scared of kids, there are plenty of ways to help that don't involve any kid interaction.

Have questions about Kids' Club? E-mail Kim Botto in Oakley at [kbotto@crossroads.net](mailto:kbotto@crossroads.net) or Beth Peery in Mason at [bpeery@crossroads.net](mailto:bpeery@crossroads.net).

Does putting orange jelly beans in carrot-shaped bags make them any healthier? I think so.

## current message series

Whether you're just beginning the seeking journey or you've followed Jesus for decades, the Reset journey will challenge all of us to confront our expectations and discover (or rediscover) our own beliefs about the most influential person in history.

## today

This weekend we're recapping what we've learned and experienced during Reset, and sharing stories from the journey.

## Weekends at Crossroads

Weekends here are for anyone who wants to seek God, from those exploring whether or not God even exists to committed Christ-followers. We present basic, biblical truths and show how they apply to our everyday lives. And we have a lot of fun doing it—we don't believe in disconnecting from the things we enjoy, the music we like or a great joke just because we're "in church."

## meet PETER

Peter Zimmer is on the volunteer teaching team for Welcome to the Revolution, a new Community Group starting this month.

### Why did you choose to volunteer with Community Groups?

I love connecting with people who have recently made a decision to follow Jesus, and that's what Welcome to the Revolution is all about.

### Why should people consider joining?

There's nothing like being part of a group of people who are in a similar place, wanting to grow in the same areas. Plus, Community Groups create a great atmosphere for lasting relationships to form that is just not possible by coming and sitting in a dark Auditorium at a big weekend experience.

### What is your favorite thing about serving?

Waking up every morning, knowing there is a chance that someday, somehow, I might be featured in the weekend program!

Sign up for Welcome to the Revolution or another Community Group at [crossroads.net/cgroups](http://crossroads.net/cgroups), or visit the Info Center for more information.
