7 HILLS

Authenticity

We believe we can't be what God has called us to be if we play games with each other. Whether it's what happens on stage, within our smaller communities, serving teams or in our homes, we need to be able to share our faults and weaknesses and not fake it. That's authenticity, just being real. Philippians 3:17

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.

THE GOD EXPERIMENT

There can be tons of obstacles on the path to saying yes to Jesus. Questions about his character, his identity and how he feels about us can be a few along the journey. If you are skeptical about God or you're wrestling with who God is, this group may help you sort through the unanswered questions. crossroads.net/cg.
