What if our news feeds weren't full of crap? What if the future wasn't bleak? What if it was filled with joy instead of stress, redemption instead of cynicism? The Bible gives us all kinds of reasons to believe **the future is bright**. So let's start this year strong.

Weekends at Crossroads

We have a lot of fun here on the weekends—we present basic, biblical truths using the music we like and great jokes. We don't believe in disconnecting from the things we enjoy just because we're in "church." But we use them to show how the Bible can apply to our everyday lives.
