

Never Let Go [G, 80.02 bpm, 6/8]

[2018 Arrangement] by Richard Austin Livingood, Mitch Winsett and Brian Webb

INTRO

Em - C - G - D

V1

Your love never fails me or leads me astray

It always holds on, never separates

Your love never leaves or walks another way

It always pursues, it's the reason I sing

PC

I sing 'cause You're good, yes

I sing of Your kindness

I sing 'cause You're faithful, You never let go

CHORUS

When I'm on my own I'm never alone

When I'm on my own I'm never alone

TURN

Em - C - G - D

V2

A love for the empty, the broken and shamed

You sent love with purpose

You gave Him a name

You tore out Your heart just to walk in my place

Now I'm a child of God

With Your blood in my veins

PC

CHORUS

INST

D - Em - C - G

BRIDGE

Even when I stumble and though I may fall

Even when I'm broken and forced to a crawl

Even when I'm empty with nothing to show

I sing 'cause You're faithful, You never let go

Even when I doubt You and though I can't see

Even when the future is a mystery

Even when I find myself brought to my knees

I sing 'cause You're faithful You're so good to me

CHORUS

TURN

Em - C - G - D

OUTRO

I sing 'cause You're good, yes
