

# Overcomes [Lyrics]

[Default Arrangement] by Austin Livingood, Justin Mosteller, Robbie Reider, Aaron Hunt

## INTRO

### V1

When I'm overwhelmed and shadowed with doubt  
You make a way  
In my brokenness where peace can't be found  
You make a way

## CHORUS

You lift my head up  
You heal my soul  
I'm made new because of You  
Because of what You've done  
You're the God who overcomes

### V2

Painting grace upon my canvas of fears  
You make a way  
Draw me closer so you're all that I hear  
You make a way

## CHORUS

### BRIDGE INST

### BRIDGE (x3)

All my worries, all my doubts  
I shake 'em off and they're falling down  
All my fears, all my shame  
I lay 'em down in Jesus' name

### BRIDGE BUILD

### CHORUS TAG

You're the God who overcomes  
You're the God who overcomes
