The Program 

I'm calling the next big Cincinnati startup: zip-line tours of P&G.

current message series

Three years ago, we wrestled with some of the all-time heavyweight questions to faith: big, hairy questions about science, history, suffering, judgement, hypocrisy and grace. Now it's time for the rematch. Join us as we go head to head with the big ones.

today

Why don't church people act like Jesus?

next weekend

Aren't all religions basically the same?

time here? OR SECOND, OR THIRD, OR TENTH...

Relax
It's OK to laugh at church. We don't take ourselves too seriously, but we take what we do VERY seriously. As a result, we like to make fun of ourselves, and sometimes, the Bengals. We believe that God has a sense of humor and that you should, too. But if you don't think it's funny, feel free to email us, and later we'll have a good laugh at what you wrote. (Kidding! See? We did it again.)

your kids will LOVE this

In Kids' Club, kids will hear God's story in language they can understand and in an environment where they can be themselves (which means lots of noise and activity). All the songs, lessons and videos in Kids' Club are created just FOR kids. To see what your kids learned this week, go to CrossroadsKidsClub.net and view the lesson and small group discussion questions.

If you've got questions about Kids' Club or you'd like to be part of transforming the lives of kids, contact kc@crossroads.net.

MZUZU MALAWI CREAM & SUGAR OPTIONAL

Most coffee farmers don't know their true value and we want them to know we love what they do. We've teamed up with local coffee roasters to help change lives and drink a great cup of joe.

Harvested by women farmers, Mzuzu Coffee is a co-op of farmers that seeks to empower and improve their quality of life. This cup has great flavor and is perfect for lingering winter weather.

7 HILLS we die on

reproduction

Reproduction is about recognizing something that God has created and then reproducing it in his name. We want to send God's message out into the world by reproducing everything from the weekend program to CDs of each message series. Crossroads wants to be a place where Christ-followers reproduce Christ-followers, leaders reproduce leaders and churches reproduce other churches. (Matthew 28:19-20)

The Seven Hills We Die On are applications of biblical truth expressed through the unique personality of Crossroads. Check out the Info Center for the rest of 'em.
