The Program

Remember that one time at Bogart's?

Do your job like a BOSS.
Crush that spreadsheet. Mulch like
you own the place. Pack those
lunches like you're the world champ
of Capri Sun. God designed us to
work, and he loves when we
pile-drive our to-do lists into oblivion.
So let's learn what it takes to work
with purpose and authority (besides
just growing a 'stache).

Today: **Work rested.**

FIRST
time here? OR SECOND, OR THIRD, OR TENTH...

Techies Welcome.

We are all about keeping up on the latest technology
around here (the West Side sound system is off-the-hook),
so you are welcome to use your iPhone, tablet, laptop etc.
to take notes during weekend services. We just ask that
you be mindful of the folks around you and refrain from
things like checking your Facebook, texting, watching
YouTube or playing video games.

your kids will
LOVE
this

It's OK to wear fairy wings and rain boots to church. After all, Kids'
Club is a space for kids from birth to fifth grade to come as they
are and learn about God. They may learn about fear by touching
slimy bugs (fake ones) or how good it feels to forgive by unloading
a backpack of rocks. Whatever they are learning, they are
welcome to come in whatever makes them comfortable (even if it's
a Spiderman suit and fireman's hat). To see exactly what they are
experiencing check out CrossroadsKidsClub.net.

*If you've got questions about Kids' Club or you'd like to be part of transforming the
lives of kids, contact kc@crossroads.net. lives of kids, contact kc@crossroads.net.*
