WHAT IS GAME CHANGE?

The Game Change campaign is about four initiatives in three countries—through one community. For more info, visit crossroads.net/gamechange.

WHY
INDIA

Over the past decade, our partner International Justice Mission (IJM) has worked with local Indian authorities to rescue more than 700 sex trafficking victims. Once they are rescued, survivors are taken to aftercare homes to receive emotional and physical healing, as well as education, economic self-sufficiency, social support, and a new world view.

However, the majority of aftercare providers are currently underfunded, undertrained, understaffed, overburdened and overwhelmed. So, we're investing in aftercare in India. We've created a partner organization, Crossover Foundation, to mobilize Indian churches to become quality aftercare providers. These local church partners are working to increase the quantity and quality of aftercare "beds" for recently rescued survivors, to create sustainable economic self-sufficiency opportunities, and to support the field work of rescuing organizations such as IJM.

FIRST TIME HERE?

welcome.

We're glad you're here. Crossroads is a place for people who might have given up on church, but not on God. We present basic, biblical truths and show how they apply to our everyday lives. Check out the Info Center to learn more.

YOUR KIDS WILL LOVE THIS

All kids from birth through sixth grade are invited to Kids' Club, a fun learning environment designed just for them. Kids' Club is free, totally secure and offered during all services. Any blue-shirted, name-tagged volunteer will be happy to answer questions and point you and your kids in the right direction. And don't worry—we'll let you know if your child needs you at any point during the service.

GAME CHANGE GUIDES

In the fall of 2010, the Crossroads community went through a spiritual journey that culminated in financial commitments to the Game Change Campaign. If you'd like to go on the same journey, pick up a Game Change guide at the Info Center. Please note the most updated initiative information is found online at crossroads.net/gamechange.
