by Austin Livingood

2019 Great Day To Die Works / Mom Played Dad Sang and I Made Music (BMI)

## V1

There is a place that none compares to  
Full of life beyond all measure  
Where even doubts find reckoning  
Even the deaf hear freedom ring  
If it's all found at Your feet  
Then we're laying it all down

## CHORUS

We'll follow You Jesus  
Wherever You lead us  
We'll follow You Jesus  
Wherever You lead us

Whatever it costs  
Whatever may come  
We'll hold fast till the breakthrough's won  
Oh Oh Oh Oh  
We're laying it all  
We're laying it all down

## V2

You're the fortress none compares to  
You're the hope that anchors our truth  
At Your word the oceans find peace  
At Your name every demon flees  
If it's all found at Your feet  
Then we're laying it all down

## CHORUS

We'll follow You Jesus  
Wherever You lead us  
We'll follow You Jesus  
Wherever You lead us

Whatever it costs  
Whatever may come  
We'll hold fast till the breakthrough's won  
Oh Oh Oh Oh  
We're laying it all  
We're laying it all down

## BRIDGE

You call the shots  
We'll go ahead  
You say the word  
We'll take what You said  
And follow wherever  
You're all that matters

## CHORUS

We'll follow You Jesus  
Wherever You lead us  
We'll follow You Jesus  
Wherever You lead us

Whatever it costs  
Whatever may come  
We'll hold fast till the breakthrough's won  
Oh Oh Oh Oh  
We're laying it all  
We're laying it all down
