# A BRIGHT FUTURE

What if our news feeds weren't full of crap? What if the future wasn't bleak? What if it was filled with joy instead of stress, redemption instead of cynicism? The Bible gives us all kinds of reasons to believe **the future is bright**. So let's start this year strong.

**Today: Everything will be made new.**

## FIRST time here?

OR SECOND, OR THIRD, OR TENTH...

### Relax

It's OK to laugh at church. We don't take ourselves too seriously, but we take what we do VERY seriously. As a result, we like to make fun of ourselves, and sometimes, the Bengals. We believe that God has a sense of humor and that you should, too. But if you don't think it's funny, feel free to email us, and later we'll have a good laugh at what you wrote. (Kidding! See? We did it again.)
