Peloton does not warrant that it will be able to repair or replace the Peloton Commercial Fitness Product under this Limited Warranty without risk to or loss of information or data stored on the Peloton Commercial Fitness Product.
- Damage or equipment failure due to: (i) unauthorized installation, relocation, repair, (ii) improper or negligent assembly of the Peloton Commercial Fitness Product or any accessories, or maintenance (other than in each case that is caused by a Peloton authorized service technician or at the direction of Peloton), (iii) normal wear and tear, (iv) use of the Peloton Commercial Fitness Product beyond its design and its intended purpose, (v) use of the Product with parts or accessories from third parties, or with parts or accessories not originally intended for or compatible with the Peloton Commercial Fitness Product, or (vi) any use contrary to the instructions in the Peloton Product Commercial User Manual (if applicable), the technical specifications or other published guidelines relating to the Peloton Commercial Fitness Product.

To the extent permitted by applicable law, Peloton is not responsible or liable for indirect, special, incidental or consequential damages, economic loss, loss of property or profits, loss of enjoyment or use, or other consequential or punitive damages of any nature whatsoever in connection with the purchase, use, repair or maintenance of equipment or parts, and Peloton will not provide monetary or other compensation for any such repairs or replacement parts costs, including but not limited to gym membership fees, work time lost, cost of substitute equipment, diagnostic visits, maintenance visits or transportation. All moves, repairs or assemblies attempted by you or your agents are undertaken AT YOUR OWN RISK and Peloton will have no liability for any damages or injury to persons or property arising from such attempted moves, repairs or assemblies.

For the avoidance of doubt, to the extent the Peloton Commercial Fitness Product is a special color or co-branded Peloton Commercial Fitness Product and such Peloton Commercial Fitness Product or any element thereof is no longer available, then Peloton may choose to provide the replacement option with a comparable model that does NOT contain the special color or co-branded markings (or any element thereof).

Peloton Commercial Fitness Products presented for repair may be replaced

by refurbished Peloton Commercial Fitness Products of the same type rather than being repaired.

Refurbished parts may be used to repair the Peloton Commercial Fitness Products.

- If a successful claim is made for a defect that is covered by this Limited Warranty within the Limited Warranty periods identified above, any shipping costs to return the relevant component to Peloton or the cost of Peloton collecting the relevant part(s) will be at Peloton's cost.
- To the extent that the Peloton Commercial Fitness Products or component is capable of retaining user generated data, you should be aware that repairs may result in the loss of that data.
- All exchanged components or Peloton Commercial Fitness Products replaced under this Limited Warranty become the property of Peloton after the repair or exchange.
