The Frequency Of Abundance by Mark Sifflin

Scoop.it!

From [dipreviews.com](#) - May 26, 2023 9:50 AM

The Frequency Of Abundance by Mark Sifflin (PDF & Audio Files Download). An abundance of something can bring a sense of satisfaction and joy to any situation.

For some, there may be an abundance of material possessions, such as a large home full of beautiful items, a closet full of clothes, or an overflowing pantry of food. For others, it can be a surplus of experiences like spending time with loved ones, taking vacations, or exploring hobbies.

Having an abundance of anything can leave us feeling grateful for our blessings. It can also bring a sense of appreciation and thankfulness for those who provide for us, such as our family, friends, or employers. No matter what form our abundance takes, being able to experience it brings us closer to achieving a higher level of personal happiness.
