

LD 110 Annual Report

2025 SUBDIVISION REPORTING

LD 110, An Act to Require Reporting on the Expenditure of Opioid Settlement Funds by Certain Municipalities and County Governments, requires any direct share subdivision to report their annual spending of Opioid Settlement Funds. The first reporting period deadline was January 15, 2026; mandatory and voluntary* data are presented below.

Key Settlement Spending Insights

\$ 3.086 million
Total funds spent by subdivisions

100%
Of subdivisions completed mandatory reporting

74%
Of subdivisions spent funds in 2025

Percent of expenditures by core opioid response strategies:

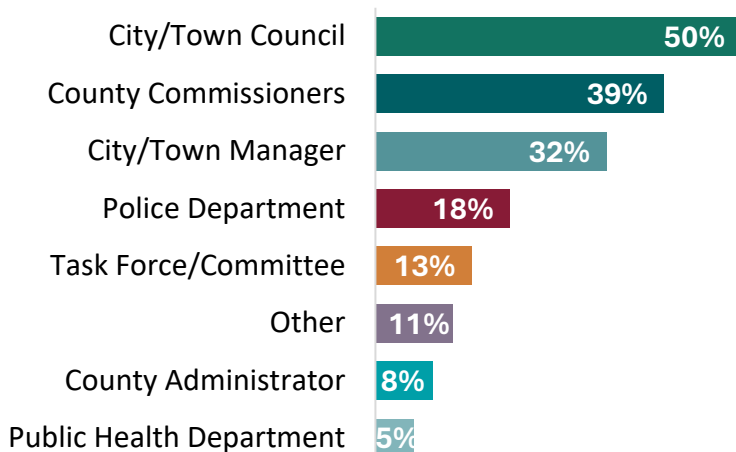

72 Expenditures across 82 entities were reported by subdivisions.

18% of expenditures address more than one core opioid response strategy.

Decision-Making, Governance, and Monitoring*

38 subdivisions provided insight into who determines how Opioid Settlement Funds are spent:

2/3 of subdivisions had a community engagement process to support spending decisions, which included public comment, community surveys or forums, and discussions with partners and impacted populations.

Decision-makers are most frequently supported/advised by:

Law enforcement

Task Force / Committees

People w/Lived Experience

30% of subdivisions have a policy/formal ordinance to guide funding distribution.

68% of subdivisions have processes to monitor the outcomes of Opioid Settlement Fund spending.

Successes & Challenges*

Subdivisions most frequently report increased collaboration across sectors due to Settlement Fund planning.

Some subdivisions report struggling to determine how to best meet community needs within the scope of allowable expenses.
