2. MTS shall exercise the rights granted under this Agreement in a careful manner so as to cause a minimum of inconvenience or damage to the Grantor. In addition to the consideration specified in paragraph 1 above, MTS shall pay reasonable compensation to the Grantor for damage to the Grantor's crops which is caused in the exercise of the rights granted under this Agreement. Where damage to the Land or improvements to the Land is caused in the exercise of these rights, MTS or its contractors or agents shall restore the Land or improvements to the Land to a condition which is as close as reasonably practicable to the condition thereof immediately prior to the exercise of these rights, and, where such restoration cannot be effected, MTS shall pay reasonable compensation to the Grantor in respect of such damage.
