AMENDING AGREEMENT

PROVINCE OF ALBERTA

This AMENDING AGREEMENT made this 6 day of May, 1992

BETWEEN: NOVA Corporation of Alberta
a body corporate with Head Office in the City of Calgary,
in the Province of Alberta, (hereinafter referred to as
the "Company")

and

RALPH TATLOCK (FARMER) OF BENTLEY, ALBERTA

(hereinafter referred to as the "Owner")

WHEREAS the Company is the grantee, under certain right-of-way agreements or easement agreements described in Schedule "A" attached to and forming part of this Amending Agreement (each of such right-of-way agreements and easement agreements being individually referred to as an "Easement"), of certain pipeline rights-of-way across land situated in the Province of Alberta and described as:

THE SOUTH EAST QUARTER OF SECTION FOUR (4), TOWNSHIP FORTY (40), RANGE ONE (1), WEST OF THE FIFTH MERIDIAN AS CONTAINED AND DESCRIBED IN CERTIFICATE OF TITLE NO. 66F232

excepting thereout all mines and minerals (hereinafter referred to as the "said Lands"); and

WHEREAS the Owner is the registered owner of the said Lands; and

WHEREAS the parties hereto are desirous of amending certain terms of each Easement;

NOW THEREFORE in consideration of the premises and covenants contained herein, the parties hereto agree as follows:

- Each Easement shall henceforth be read together with this agreement, and shall have effect as if all the provisions of such Easement and this agreement were contained in one instrument.
- On the 1st day of July, 1992, and on the same day in each succeeding year (hereinafter referred to as the "Payment Date") for the duration of the Easement, the Company agrees to pay to the persons who, ninety (90) days prior to the Payment Date, appear as registered owners of the said Lands on the records of the applicable Land Titles Office (hereinafter referred to as the "Registered Owner"), in the proportions indicated by such records, an aggregate amount (hereinafter referred to as the "Annual Payment") calculated and payable as hereinafter set forth.
- Notwithstanding clause 2 hereof, it is understood and agreed that should the said Lands, in the Company's sole opinion, be used at any time for purposes of a commercial or industrial nature, be included within the boundaries of any city, town, village, summer village or hamlet, be approved for subdivision for country residential use or be transferred to the Crown, the obligation of the Company to make the Annual Payments provided for herein shall terminate.
- On each of the first five Payment Dates the Company will pay to the Registered Owner an Annual Payment equal to Eight Hundred and Forty Six Dollars (\$ 846.⁰⁰).
- On each Payment Date thereafter the Company will pay to the Registered Owner an Annual Payment determined pursuant to clause 6 hereof.
- (a) Within the period commencing on the nineteenth day prior to the sixth Payment Date and ending on the sixth Payment Date, and within each period commencing on the nineteenth day prior to each fifth Payment Date thereafter and ending on each such fifth Payment Date for the duration of the Company's obligation to pay Annual Payments hereunder, the Company shall provide the Registered Owner with the Company's determination of the bare land per acre value upon which the Annual Payment shall be calculated, as at the commencement of each such period, in accordance with the following formula:

$$AP = V \times A \times U \times 2$$

where:

AP = Annual Payment;

V = bare land per acre value determined by the Company;

A = number of acres contained within the Right-of-Way.

Upon the Registered Owner agreeing to accept the Annual Payment as calculated above, such agreement shall be confirmed in a memorandum signed by the Registered Owner and the Company;

(b) Should the Registered Owner fail to agree to accept the Annual Payment as calculated in paragraph 6(a) for any reason within thirty (30) days from the day that the Company provided the Registered Owner with the Company's determination of the bare land per acre value as provided for in paragraph 6(a), the Company and the Registered Owner shall attempt to agree upon the appointment of a person as an appraiser. Failing agreement for any reason as to such appointment within a further fourteen (14) days, the Company shall appoint a person as an appraiser. In either event, such person shall not be an employee of the Company, but shall hold the designation of Accredited Appraiser Canadian Institute (hereinafter referred to as the "appraiser"). The appraiser shall determine the en bloc per acre value of the said Lands as bare lands without any buildings, fixtures or other improvements within, upon or under the said Lands (hereinafter referred to as the "Land Value") and shall prepare an appraisal report respecting the said Lands and the Land Value thereof (hereinafter referred to as the "appraisal"). The Land Value set forth in the appraisal shall be determined as of the first day of the applicable period described in paragraph 6(a). The appraisal shall be prepared in accordance with the standards, ethics and practices established by the Appraisal Institute of Canada. A copy of the appraisal shall be provided to the Company and the Registered Owner. The Land Value so determined shall be binding upon the Company and the Registered Owner, and thereafter the Annual Payment shall be calculated as follows:

$$AP = LV \times A \times 0.2$$

where:

AP = Annual Payment;

LV = en bloc bare land per acre value as detailed in the appraisal;

A = number of acres contained within the Right-of-Way.

The Annual Payment determined in accordance with this clause 6 shall be payable pursuant to clause 5 hereof on the Payment Date immediately following the first day of the applicable period described in paragraph 6(a), and on the four Payment Dates immediately following thereafter.

7. The Registered Owner shall be entitled to interest on any portion of an Annual Payment due and not paid within thirty (30) days after the applicable Payment Date at the Bank Rate, being the minimum rate at which the Bank of Canada makes short-term advances to the chartered banks, existing at such Payment Date plus one (1%) per cent. from such Payment Date until full payment of such portion is made. For the purpose of establishing such Bank Rate, the Bank Rate set forth in the Bank of Canada Review shall be conclusive proof thereof.

8. It is understood and agreed that, notwithstanding any provision in this agreement or any Easement and notwithstanding any rights the Registered Owner may have in law or in equity, should the Company fail to pay any amount payable under this agreement or any Easement, the Registered Owner's sole remedy shall be to recover from the Company such amount and any interest payable thereon, and in no event shall the Registered Owner, for whatever reason, interfere with, hinder, molest or interrupt the Company in its enjoyment of any of the rights, licences, liberties, privileges or easements granted by such Easement, as amended hereby.

9. If any Easement contains a provision whereby in the event that the Company constructs additional pipelines within the Right-of-Way, it shall pay a sum equal to the amount, if any, by which the portion of the Right-of-Way actually required in the construction of the additional pipeline has increased in market value over the amount paid in relation to such portion of the Right-of-Way at the time of the immediately preceding pipeline construction, then such clause is hereby deleted as of the date hereof from such Easement and is of no further force or effect.

10. If any Easement contains a clause whereby the market value of the Right-of-Way actually required in the construction of an additional pipeline as referred to in clause 9 of this agreement may be arbitrated, then such provision is hereby deleted as of the date hereof from such Easement and is of no further force or effect.

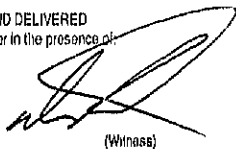

11. In the event that any Easement grants the right to construct, operate and maintain only a single pipeline (together with certain works of the Company) within the Right-of-Way, such Easement is hereby amended to grant the Company the right to lay down, construct, operate, maintain, inspect, patrol (including aerial patrol), alter, remove, replace, reconstruct and repair one or more pipelines together with all the works of the Company including, without limiting the generality of the foregoing, all such drips, valves, fittings, meters, cathodic protection equipment and other equipment and appurtenances, whether or not similar to the foregoing, as may be useful or convenient in connection with or incidental to the undertakings of the Company for the carriage, conveyance and transportation of water, natural and artificial gas, oil, petroleum, petroleum substances and other gaseous or liquid hydrocarbons and any products, by-products or mixtures thereof.

12. The covenants and conditions contained within each Easement, as amended hereby, shall be of the same force and effect to all intents and purposes as a covenant running with the land and shall extend to, be binding upon and enure to the benefit of the heirs, executors, administrators, successors-in-title and assigns of the parties hereto; provided, however, that notwithstanding anything to the contrary contained in this agreement or any Easement, it is mutually agreed and understood that clauses 2 to 8 hereof shall neither extend to nor be binding upon any trustee under the Deed of Trust & Mortgage between NOVA Corporation of Alberta (formerly NOVA, AN ALBERTA CORPORATION and formerly The Alberta Gas Trunk Line Company Limited) and Montreal Trust Company dated as of May 1, 1958 as the same may be amended or supplemented.

13. The clause within each Easement containing the addresses to which the parties to each such Easement may serve notices on each other is hereby deleted in its entirety and a new clause attached hereto as Schedule "B" is inserted in lieu thereof.

IN WITNESS WHEREOF, the parties hereto have executed and delivered these presents all as of the date first above written.
