3.0 Billings

- 3.1** The Grantor shall invoice the Grantee at monthly intervals or as the Grantor may desire (in advance, quarterly, annually, etc.) and the Grantee shall submit payment in the manner described on the invoice(s).

- 3.2 The Grantor shall be entitled to charge interest on any amounts that remain outstanding after thirty (30) days from the Grantee's receipt of the invoice at the rate of two (2) percent per annum higher than the rate designated as the prevailing prime rate for Canadian commercial loans by the principal Canadian chartered bank used by the Grantor, from the day that payment is due until the day it is paid, regardless of whether the Grantor has notified the Grantee in advance of its intention to charge interest with respect to that unpaid amount.
- 3.3 In the event the Grantor is required to collect any taxes, assessments, fees or charges on behalf of any governmental authority including, without limitation, Federal Goods and Services Taxes, from the Grantee with respect to any transaction occurring as a result of this Agreement, then the Grantee shall pay the amount of such taxes, assessments, fees or charges to the Grantor, and the Grantor shall remit those amounts to the relevant taxing authority as required by law.
- 4.0 Change of Status**
- 4.1 The Grantee shall promptly notify the Grantor of the nature and time of all changes in status. Changes in status shall become effective on the first day of the month following the month in which the notice was received by the Grantor. If the status of a well/facility changes, thus qualifying for a lesser rate, the Grantee shall continue to be liable for a higher rate until the first day of the month following the month in which the Grantor receives notice of the new status. If the status of a well/facility changes so the charges should be at a higher rate, the Grantee shall be liable for the greater rate effective on the first day of the month following the month in which the status is changed regardless of when or if the Grantor receives notice of the new status.
- 4.2 After receipt of notice described in the preceding clause, the Grantor shall adjust the fees accordingly and provide the appropriate refund or supplemental invoice within a reasonable time. At the Grantor's discretion, refunds may be applied as a credit on subsequent invoice(s).
- 5.0 Road Restrictions**
- 5.1 The Grantor reserves to itself the exclusive control and operation of the Road and the Grantee shall observe all load limits, speed limits, road bans, closures and restrictions whether imposed by governmental authority or by the Grantor if it reasonably deems the Road conditions warrant such restrictions.
- 5.2 The Grantor shall endeavor to notify the Grantee when anticipated closures or restrictions are to be imposed.
- 5.3 The Grantor shall not be liable for any loss or damage occurring to the Grantee as a result of the imposition of the said limits, bans, closures and restrictions or of the failure to give reasonable notice thereof to the Grantee.
- 5.4 The Grantor reserves the right to control the entrances of any access road connected to the said Road and to control the location of signs and culvert installations at such access points.
- 6.0 Maintenance**
- 6.1 Notwithstanding anything herein contained the Grantor does not make any representation or warranty as to the suitability or fitness of the Road for Grantee's intended use nor does the Grantor give any undertaking to maintain the Road in useable condition.
- 6.2 Upon written approval from the Grantor, the Grantee may upgrade the Road. The entire cost of such upgrades, together with any incremental costs of maintaining the Road in its upgraded state or abandoning and reclaiming the Road, shall be borne solely by the Grantee.

6.3 For Permanent, Developed, High Grade Roads

The Grantor shall perform and effect such maintenance and repairs to the Road as it deems necessary to maintain it in a condition acceptable for Grantor's use. The Grantor shall have the right to enter upon the Road at its discretion to effect such maintenance and repairs, and the Grantor shall not be responsible or liable to compensate the Grantee for any loss, injury, damage, inconvenience or annoyance suffered therefrom.

6.4 Where the Grantor has no need to maintain trails or undeveloped roads, the Grantee undertakes and agrees that maintenance of the Road shall be the responsibility of the Grantee.

7.0 Damages

7.1 The Grantee agrees that if damage or destruction to the Road, as determined by the Grantor acting reasonably, results from the exercise by the Grantee and its servants, agents, employees, contractors and subcontractors of the rights herein granted, the Grantee shall, at the Grantor's request, restore the Road to its previous condition. If the Grantee fails to comply with such instruction within a reasonable time to be determined by the Grantor, the Grantor may restore the Road to its previous condition at the expense of the Grantee. In such event, the Grantee will reimburse the Grantor the Grantor's costs of the restoration within thirty (30) days of receiving the Grantor's invoice.

8.0 Liability and Indemnity

8.1 The Grantee shall use the Road entirely at its own risk and shall be liable for any loss, damage or expense suffered by the Grantor as a direct result of the use of the Road by the Grantee, its employees, agents, contractors or subcontractors, unless such loss, damage or expense is a direct result of the negligence or misconduct of the Grantor, its employees, agents, servants, contractors or subcontractors.

8.2 The Grantee shall indemnify the Grantor against all actions, proceedings, claims, demands and costs suffered by the Grantor directly resulting from the use of the Road by the Grantee, its employees, agents, contractors or subcontractors, unless such action, proceeding, claim, demand or cost is a direct result of the negligence or misconduct of the Grantor, its employees, agents, servants, contractors or subcontractors.

8.3 Notwithstanding paragraphs 8.1 or 8.2, neither the Grantor nor the Grantee shall have any liability to the other for any consequential or indirect damages suffered by the other.

9.0 Default

9.1 If the Grantee is in default of any provisions herein, and such default continues for a period of thirty (30) days after receipt of notice from the Grantor to remedy such default, the Grantor may, without limiting any other remedies it may have, terminate this Agreement and the Grantee shall be deemed to have forfeited any and all rights hereunder.

10.0 Insurance

10.1 It shall be the responsibility of the Grantee to maintain and keep in force during the term of this Agreement, for the benefit of the Grantee, the following insurance:

- (a) Automobile Liability Insurance covering bodily injury (including passenger hazard) and property damage arising from the operation of owned or non-owned vehicles used on the Road in the course of operations by the Grantee, with inclusive limits of not less than \$1,000,000 (one million dollars) for any one accident.

(b) Comprehensive General Liability Insurance covering the liability of the Grantee for bodily injury and property damage arising from operations of the Grantee in connection with this Agreement (other than the operation of vehicles). The limits of this insurance shall not be less than \$1,000,000 (one million dollars) for any one occurrence.

10.2 Upon demand by the Grantor, the Grantee shall provide the Grantor a Certificate of Insurance as evidence of the insurance required by the preceding clause. Insurance policies referred to in paragraph 10.1(b) above shall include a waiver of subrogation in favor of the Grantor and its agents and employees.

10.3 As an alternative to the insurance policies referred to in paragraphs 10.1(a) and 10.1(b), if acceptable to the Grantor, the Grantee may self-insure against the risks normally covered by such policies.

10.4 The Grantee shall use its best efforts to ensure that any of its contractors and agents using the Road, that are not covered by the insurance policies set forth in paragraphs 10.1(a) and 10.1(b) maintain insurance in accordance with the provisions of paragraphs 10.1(a) and 10.1(b) during those contractors' use of the Road.

10.5 The insurance policies shall be endorsed to provide that in the event of any change that could affect the interests of the Grantor, or in the event of their cancellation, the insurers shall notify the Grantor thirty (30) days prior to the effective date of such change or cancellation.

11.0 Arbitration

11.1 If the Grantor and the Grantee cannot agree on any of the matters referred to in Clauses 1.0, 2.0, 7.0 and any other matters that the parties decide in writing to be decided by arbitration, the matter(s) at issue may be submitted to arbitration, the decision of which shall be final and conclusive provided that, in all respects, the provisions of the Arbitration Act of the Province of Alberta, as amended from time to time, shall apply. The costs of any arbitration are to be determined and awarded as the arbitrator(s) may, in their sole discretion, decide.
