PINE CLIFF ENERGY LTD.

(Surface Lease dated: October 6, 1999)

\$ 1,682.00

*Please note the well has a suspended status. We did check with Pine Cliff Energy Ltd. and were advised that "it does not appear that there are immediate plans for reclamation on this, however it really is hard to say as it may be added to [our] list if there are others in the area that also need to be abandoned. I think it would be safe to assume there will not be a reclamation certificate applied for this year, but can't speak to any further out."
