## PATIENT CONNECT CO-PAY PROGRAM

EUSA Patient Connect Co-pay benefits are available to individuals who are currently using private or commercial insurance to cover a portion of their medication costs for their prescribed EUSA Pharma medication.

- ▶ There are no income requirements to sign up for this program
- ▶ This program is not available to individuals who use any state or federal government-subsidized healthcare program to cover a portion of medication costs, such as Medicare, Medicaid, TRICARE, Department of Defense, or Veterans Administration
- ▶ Patients must confirm that they will not seek reimbursement from any of the above-mentioned programs or from pharmaceutical patient assistance foundations and accounts such as a Flexible Spending Account (FSA), Health Savings Account (HSA), or Health Reimbursement Account (HRA)

**\$5** ELIGIBLE PATIENTS  
PAY \$5 PER INFUSION

\$26,000 maximum program benefit per calendar year. Visit [eusapatientconnect.com](https://eusapatientconnect.com) for full eligibility requirements.

Independent co-pay assistance foundations have their own rules for eligibility. We have no control over these independent foundations and can only refer patients to a foundation that supports their disease state. We do not endorse any particular foundation.

PATIENT CONNECT

## **PATIENT ASSISTANCE PROGRAM**

EUSA Patient Connect Patient Assistance Program (PAP) provides medication at no cost to eligible patients. In order to qualify for Patient Connect PAP, you must meet certain financial and insurance eligibility criteria:

- ▶ You have tried applying for the following financial programs that help patients, but were denied:
  - The Co-pay Program for eligible commercially insured patients
  - Assistance from third-party charitable foundations to help cover deductibles, coinsurance, and co-pays for eligible government-insured patients—or there have been no foundations with applicable funds accepting applications
- ▶ Have Medicare and applied for Medicare Extra Help (low-income subsidy) to support your Medicare Part D prescription drug coverage premium, but were denied the assistance

If you have been prescribed a EUSA Pharma medication by your doctor and don't know where to start, Patient Connect can be a great place to begin.
