

**PHILOSOPHY**  
CARE CENTERS

Dear Family and Friends,

Philosophy Care Centers would like to update you on our efforts regarding COVID-19. We currently have no confirmed or suspected cases throughout our network. CMS (Centers for Medicare and Medicaid Services) and the NYS Department of Health are providing additional guidelines to nursing homes to help improve our infection control and prevention practices to prevent the transmission of COVID-19. In addition to restricting all visitation, we are canceling all communal dining and all group activities. Our team is currently providing 1:1 visits in our resident's room for recreational activities. Meals will be served in rooms and supervision/assistance will be provided as necessary. As always, the safety of your loved one will continue to be our top priority.
