Not just another content filter.

With GoGuardian Admin 2.0, your students can safely use the world's most powerful learning tool without harmful or distracting web content getting in the way.

On and Off-Campus Filter

Set different rules based on time and device location.

Intelligent Monitoring

Context-aware A.I. provides truly actionable insights.

Theft Recovery

Find missing devices using serial numbers and GPS data.

Granular Filter Control

Manage settings for apps, OUs, and individual students.

Automated Actions

Create pre-set responses to help guide student behavior.

World-Class Support

Live chat and phone support available during school hours.
