

# Digital Impact-package

## MEDIA CARD 2025

### One week of great coverage on Kespro.net!

Kespro.net is one of the biggest eCommerce sites in Finland. Our foodservice customers visit our eCom multiple times a week. Kespro's partners will get an amazing opportunity to highlight products and product launches on Kespro.net in a holistic way.

Limited availability

### Best Coverage

Exclusive productt carousel for 10 -15 products on the front page of Kespro.net

Products should make up a unified commercial entity

Top position for 3 selected products with 3 selected keywords

Banner Ad on Kespro.net "Thank you for ordering" - page with links to your Kespro.net Product page.

he designed campaign allows customers to see the advertised products and display banners during each visit at our eCommerce.

### Process

1. Suggested products by the partner
2. Creative planning meeting with Kespro
3. Customization and support
4. Publication on Kespro.net
