

Kespronet-package

MEDIA CARD 2024

One week of great coverage on Kespronet!

Kespronet is one of the biggest eCommerce sites in Finland. Our foodservice customers visit our eCom multiple times a week.

Kespronet Package is executed and planned in collaboration with Kespro's Digital Sales Team.

Best Coverage

Kespro's partners will get an amazing opportunity to highlight products and product launches on Kespronet in a holistic way.

The designed campaign allows customers to see the advertised products and display banners during each visit at our eCommerce.

Process

1. Suggested products by the partner
2. Creative planning meeting with Kespro
3. Customization and support
4. Publication on Kespronet
