

WHAT WE ARE DOING TO MAKE YOUR VISIT SAFE

- We follow and comply with authority requirements.
 - Our staff operates in a manner that ensures health security.
 - We enable everyone to wash and disinfect their hands.
 - We offer seating to all customers with appropriate safe distances.
 - We ensure good hygiene both in the kitchen and the dining area.
 - We have enhanced cleaning protocols in place.
- 

WHAT YOU CAN DO TO MAKE YOUR VISIT SAFE

- Do not come to the restaurant if you are sick or in quarantine.
 - Maintain a distance of at least 2 metres to people outside your party.
 - Wash your hands when you come in.
 - If you cough or sneeze, use a tissue or your sleeve.
 - Use a mask when you are not at your table.
- 

DEAR CUSTOMERS

Please use a mask whenever
you are not at your table.

Thank you!

DEAR CUSTOMERS

Please maintain a distance of at least
2 meters to people outside your party.
Please do not move around
the restaurant unless it is necessary.

Thank you!

DEAR CUSTOMERS

Thank you for ensuring
good hand hygiene!

CHECKLIST FOR A SAFE RESTAURANT

- Follow the instructions issued by authorities in your area.

- Make a self-supervision plan as required by the Infectious Diseases Act and make it available to customers.

- Make sure safety instructions are clearly visible to customers.

- Go over safety instructions with your staff.

- Expect your staff to set an example when it comes to health and safety.

- If customers are not following safety instructions, make sure your staff intervenes and offers assistance.

- Make sure customers know where they can wash or disinfect their hands.

- Arrange customer seating with appropriate distances.

- Instruct customers on how to safely come in and move around the restaurant.

- Establish the safest ways to serve the food.

- Keep music volume at a reasonable level.

- Employ enhanced cleaning protocols.
