LESSON 1 – MEANS OF TRANSPORT

AUDIO TRANSCRIPT

BD = bus driver

P = passenger

BD: Hello.

P: Hello. Does this bus go to the central station?

BD: Yes, it does.

P: OK then. I would like a ticket to the central bus station.

BD: Would you like a return or one-way ticket?

P: One way, please. What is the price?

BD: It's 35 EUR, please. Will you pay with cash or card?

P: Card, please.

BD: OK, please put the card near the machine until you hear a peep.

P: OK. Oh, I don't think it worked.

BD: No problem, try inserting the card.

P: Oh, yes, of course.

BD: Please enter your PIN.

P: OK. Oh my god, I entered the wrong PIN.

BD: No problem, just press cancel and you can try again.

P: Oh, thank you so much. I think this is the correct one now.

BD: Ok, now it works. Would you like a receipt for the ticket, too?

P: Yes, please.

BD: OK, here you are.

P: Thank you very much.

BD: Please do not forget to validate your ticket in that yellow machine in the back of the bus.

P: Oh, I didn't know that, thank you for reminding me. And how many stops are there to get to the central station?

BD: It is the tenth stop. You can follow the screen in the back of the bus to see when we reach your final destination.

P: Perfect, thank you so much. And how long does it take to get to the station?

BD: Usually around 45 minutes. Just don't forget to press the green button on the door when you wish to exit. And please mind the gap.

P: Yes, of course. Thank you.

BD: No problem. Just to let you know, there is a traffic jam in the city centre so a delay of 15 minutes is expected.

P: Ok, thank you very much for letting me know.
