

Non-multimedia material

Task 1

You will roleplay a conversation between two friends talking about a new mobile phone they have purchased. You can make use of the roleplay below supplementing it with any materials you have worked with during the lesson, or your own material.

A: *Hi Alexander/Alexandra, how's life?*

B: *Can't complain. I've got a new Smartphone but the instructions are all in Mandarin.*

A: *Look, here are the England and Ireland instructions.*

B: *Oh, OK.*

A: *And if you want to change the language from Polish to English, go to System and press it, go to Languages and press Języki then select English.*

B: *Yisiki is Polish for Languages. You learn something new every day.*

A: *It's a beautiful phone. How much did it cost?*

B: *Not much. I signed up for an 18-month plan with CLOUDMOBILE, so I get the phone free of charge.*

A: *18 months. So what happens if you want to cancel the plan before 18 months.*

B: *Well, I need to pay the outstanding for the mobile phone.*

A: *So, the phone isn't free then, is it? It's a hidden cost. It looks lovely and shiny, so what can it do?*

B: *Everything apart from flying to my favorite holiday destination.*

A: *Where's that? Blackpool?*

B: *No, no, it's Lisbon. Do you know they have this little shop that only sells tinned fish.*

A: *So, you go to Lisbon to visit a grocery store. No, no, its... let's talk about your phone.*

B: *It has all the standard features like camera, and all the other things.*

A: *Does it have Snake?*

B: *No, but you can download Snake from the Google store like this.*

Non-multimedia material

A: *Nothing is happening. Do you have a wifi connection.*

B: *No, I'll connect to the free WiFi. Wait, I just need to type in my name and email details. OK, I'm connected.*

A: *Snake's downloading now. So what other neat features do you have?*

B: *Really all the standard things like radio, camera, calculator, but the best thing about it is the Google store because I downloaded the NETFLIX App and the pedometer.*

A: *Pedometer, you need it. I think you've been watching too much NETFLIX.*

B: *Cheeky. Anyway, I'M. late for work. Must rush. See you tomorrow.*

A: *Will do. Take care. Bye!*
