

Looking for an alternative to whole milk powder?

Nourish the whole family with affordable dairy

Creamier, smoother, and with a better mouthfeel, **ofi's** instant filled milk powder, **Lactorich Prime**, helps you create better tasting dairy products with natural ingredients.

Our Lactorich Prime is designed to tantalize your consumers' taste buds. It can be used in a wide range of products; from fruit-flavored milk drinks with real fruit concentrate to nutritious yogurt drinks and even moist, light, tasty breads and croissants.

Drinking milk

Beverages
(i.e. fruit-flavored milk drink)

Yogurt

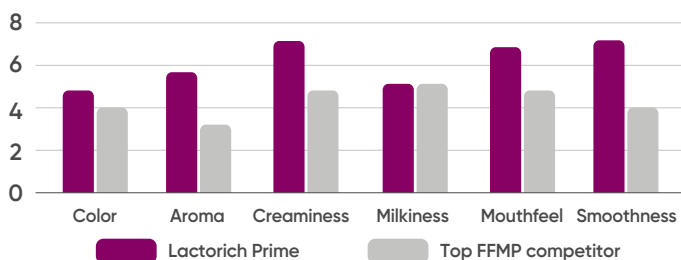

Bakery

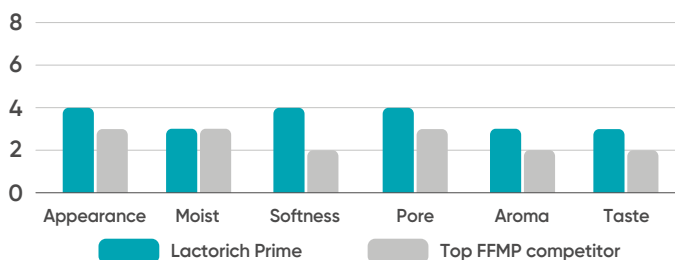

Moving away from trans-fat, Lactorich Prime is developed using non-hydrogenated, trans-fat-free vegetable oil to help you offer your consumers a healthier choice.

Make the switch and create dairy products that meet the taste and texture needs of your consumers. With Lactorich Prime as a substitute for whole milk powder, you can experience enhanced performance on all sensory profiles across your dairy applications.
