

WORKSHOP //
Cheerful Easter bouquet

NIVEAU: ● ● ● ● ●

PRODUCTS

Flowers, such as:

- Johann Strauss daffodils
- Elegance Yellow ranunculus
- Murcia tulips
- Tr. Moonvelvet dianthus
- Red astilbe
- Alissa Yellow lisianthus

Branches, such as:

- Dried hops
- Dried clematis
- Grapevines

MATERIALS

Green wire, 7 lengths
White feathers
Knife
Scissors
Glue gun
Easter accessories

TIME: 30 minutes

LEVEL: Semi-advanced

Make your bouquet holder. Use a long hops branch (or another branch of your choice) to create a nest. Then attach the green wire at three different points.

Place your assortment of flowers on the table and tie at the base to create a sheaf bouquet. Attach the feathers to the wire.

Use the glue gun to attach the Easter accessories, such as eggs and nests, to the hops nest (or your alternative branch material).

Enjoy your creation and Happy Easter!
