

Naiivasha, Kenya: Maternity clinic

Maternity clinic to reduce child- and mother mortality:

- Cooperation of 5 different Fairtrade flower farms and NGOs
- The Friends of Naivasha Self Help Group in Kenya is leading and supporting this project
- There is an additional project that focuses on setting up a breast cancer program

Nairobi, Kenya: Infrastructure

Waridi Limited flower farm

- Construction of a bridge and a dam to improve infrastructure
- Training of workers:
 - Risk assessment for the FPC
 - Driving lessons for workers

Nevado, Ecuador: Dental clinic

Construction of a dental clinic to
improve the health of workers

Ziway, Ethiopia: Food Supply Project

Construction of a small food store:

- The store is developed to support workers by supplying subsidized food
- The project is in high demand by the employees due the unpredictable market conditions and unstable food prices
- The FPC in Kenya is very proud to have realized this project
