

DIVISION 1 MENTORING PROGRAM

THE DIVISION 1 STUDENT COMMITTEE IS STARTING A STUDENT MENTORSHIP PROGRAM!

We are seeking people interested in being paired with another member of Division 1 as a mentor or mentee.

Mentoring is an effective way to establish relationships, increase productivity, and increase feelings of community. It also gives student mentees a chance to learn more about their area of study in the field of psychology.

MENTORS

All types of psychologists, ABD and above, are encouraged to sign up as mentors.

MENTEES

Undergraduate seniors, masters and doctoral students in psychology or related disciplines are encouraged to sign up as mentees
