Channel Prime Alliance Sustainability Certifications

CPA Certifications

As part of our dedicated approach to sustainable solutions, Ravago will be receiving a bronze EcoVadis sustainability rating starting in 2025. This highlights Ravago's commitment to sustainability and responsible business practices across all aspects of the business.

Channel Prime Alliance is also ISCC+ certified, meaning we can provide full traceability of the sustainable practices within the plastic manufacturing supply chain.

Channel Prime Alliance: Resins. Reliability. Results.

At Channel Prime Alliance, we're here to make resin distribution seamless. Our team offers resourceful solutions, dependable service, and a personalized approach that takes your projects further, every step of the way. With a diverse product line, strong technical support, and a commitment to reliability, we're more than a distributor—we're your partner for success across the Americas.
