School of Beauty & Spa

Turn your Love of Beauty
into a Career

The *Elite Difference*

At Elite, we're proud of the close industry partnerships we've developed over the years. Our students use the very best products when they work on real clients in our on-site salons, and our strong reputation means we can offer great internship and employment opportunities to our students and graduates. That's the Elite Difference.

Paid internships

Complete part of your study through a paid internship at businesses like Laser Clinic or Caci Clinic.

Work with real clients

Each of our campuses have on-site spas that are open to the public, and we can help you get a part-time job while you study.

Learn business skills

Get the skills to start and build your own beauty business.

Small, supportive classes

Our industry-leading trainers always go the extra mile to ensure your success.

Use quality brands & products

Work with some of the best products available, like Tuel and Ultraceuticals.

If you enjoy making people feel good about themselves, we'll help you turn your passion into a career.

When you graduate from Elite, you'll have the skills and confidence to step into the fast-growing beauty industry. Many of our graduates go on to gain amazing roles in the industry or start their own businesses.

Our Courses

If you haven't got your NCEA Level 2 or 3 yet, our Makeup Artistry & Skincare course is an excellent place to start. Otherwise, you can jump right into our Level 4 Beauty & Body Essentials and finish your study journey with our Level 5 course.

Makeup Artistry & Skincare

Level 3 | 18 Weeks

Your career as a makeup artist or beauty therapist starts here. You'll learn the basics of prepping skin and applying a range of makeup techniques.

Beauty & Body Essentials

Level 4 | 32 Weeks

Build on your basic beauty knowledge and learn waxing, spray tanning, mani's, pedi's, nails, lashes, brows and massage.

Professional Face, Body & Spa Therapies

Level 5 | 40 Weeks

Learn advanced body and facial electrical techniques which will rejuvenate and rebalance your clients. You'll also learn essential salon management skills, including how to run your own small beauty business.
