

Welcome to Elite School of Beauty & Spa, one of New Zealand's leading Beauty Therapy educational providers.

Our students have an amazing opportunity nearing the end of their qualification to do client days. This helps boost their confidence to ensure they are ready for work in the beauty therapy industry.

All clients are required to complete a client consultation form. This information enables us to provide you with consistent client experience, recommend homecare advice and help us understand your goals to achieve the perfect results for you.

Important details below

- Student treatments are over seen by a Beauty Therapy trainer in an open room environment
- Salon hours and times vary between campuses
- Treatments may not always run to exact times
- Not all treatments are always available
- Clients under 16 years old must have a parent or guardian consent

Please note, we are first and foremost a learning environment for future Beauty Therapists, so we appreciate your patience with our learners. Student and client safety is our priority and in the interest of such we retain the right to cancel or refuse treatment when inappropriate behavior is exhibited.
