

SMOOTH SURFING WITH AFFORDABLE PRICES

Take advantage of your tenant benefits and order a Telia Yhteys kotiin broadband

Are you living in a SATO apartment that is not included in the housing company contract between Telia and SATO? You can still get an affordable Telia Yhteys kotiin broadband. We offer you a 25% discount from all Telia Yhteys kotiin broadband and activate the broadband for free.

Telia Yhteys kotiin broadband*

-25 %

+ activating the broadband 0 €

* Customers living in SATO apartments that are not included in the housing company contract between Telia and SATO get a free activation for their Telia Yhteys kotiin broadband (regular price 129 €) and a 25% discount from the broadband's currently valid monthly price. These benefits will last while the housing company contract between Telia and SATO is in effect, unless otherwise agreed by both parties. Receiving these benefits requires giving a permission for electronic marketing. The availability, price and speed can vary from location to location. Check the availability for your address. We recommend that you secure your computer with the Turvapaketti service.

Telia Yhteys kotiin is a fast, high-quality broadband

- You can connect all your home's devices to the fixed broadband.
- The whole family can use the Internet at the same time with no problems.
- Entertainment services and online games work without a hitch.
- You can use the broadband with a computer, tablet, TV or a console.

Our housing company experts will assist you at 0200 11611 (mcc/Inc) Mon-Fri 8 am to 6 pm. If you wish, you can also visit a Telia store.

Mention code **BB15004S** when making the order.
