

Notification of Arrival

Fill out the Notification of Arrival when moving in to a SATO home. Return the Notification to your new maintenance company within one week from moving in.

SATO's Notification of Arrival does not replace the official Change of Address Notification for the Digital and Population Data Services Agency (Digi- ja väestötietovirasto) so remember to fill that out separately.

After you've returned the filled out for to the maintenance company:

- your surname can be put on the boards by the door and staircase
- your door can be opened for you if you've forgotten your key inside.
