

Notification of DIY renovation at the following address:

I will carry out DIY renovations in my rental home owned by SATO. By signing this notification I undertake to comply with the work instructions provided by the materials supplier(s) and SATO. I also undertake to leave the outcome of the DIY renovations I have carried out free of charge in the apartment when I move out.

If I carry out the work or have the work carried out in conflict with the above-mentioned work instructions, I undertake to cover all and any costs incurred by SATO in rectifying the outcome of the work, removal or undoing work and, if necessary, having the work redone.
