1. GENERAL

- 1.1. The contract for the supply of Products between **Kenvue** and the purchaser of the Products (**Buyer**), formed in accordance with clause 2.4 (**Contract**) will be on the terms and conditions set out in this document (**Standard Terms**) to the exclusion of all other terms and conditions (including, without limitation, any terms or conditions which the Buyer purports to apply under any purchase order, confirmation of order, specification or other document). No terms or conditions endorsed upon, delivered with or contained in the Buyer's purchase order, confirmation of order, specification or other document will form part of the Contract.
- 1.2. Kenvue may revise these Standard Terms at any time by giving four (4) weeks' written notice to the Buyer. The revised Standard Terms will be effective for all Orders received after that notice period. Kenvue may provide notice by posting revised Standard Terms on the Website.

Kenvue is not obliged to accept any Order and will advise the Buyer in writing if it rejects an Order, in which case no Contract will be formed.
- 2.4. A Contract is formed between Kenvue and the Buyer when an Order is recorded in Kenvue's order processing system and Kenvue has generated an Order or track number on its system. A separate Contract is formed in relation to each Order. The Order or track number is on the invoice issued by Kenvue and Kenvue can provide it on request.
- 2.5. Each Order must be for no less than \$5,000 and in the full shipper multiples used by Kenvue at the time of the Order. Any Orders for part of a shipper will be deemed to be an Order for a full shipper.

- 3.3. Unless otherwise stated, prices are in Australian dollars (where the Territory is Australia) or New Zealand dollars (where the Territory is New Zealand) and are exclusive of GST.
