

New Connection

Before we can send you a quotation, you'll need to fill in and submit the following form and send to:
newconnect.requests@havenpower.com

**Your new Meter Point
Administration Number (MPAN)**

Get this from your Distribution
Network Operator (DNO)

Name of your business

Company number

The registered number provided
by Companies House - only
applies if your business is a
limited company

Your business address

If this address is different
from the site needing the new
connection, please also complete
"Supply address" fields

Postcode

Supply address

Only enter details here if you
want the new connection at an
address that's different from
"Your business address"

Postcode

Please provide the name and phone number of the person who will let the MOP engineer onto the premises on installation day (shaded blue boxes).	Name
	Phone
	Phone

Name of your DNO

Your metering type

Enter either Half Hourly (HH) or Non-Half Hourly (NHH)

Name & contact details of your electrical engineer/contractor

Name of your Meter Operator (MOP)

Only complete if you're appointing your own MOP

Current Transformer (CT) / Whole Current Meter (WC)

Choose one only - either CT or WC

CT ratio

Voltage

Enter one only - either Low Voltage (LV), High Voltage (HV) or Extra High Voltage (EHV)

Voltage Transformer ratio

Single or Three Phase

Choose 1 or 3

Declared capacity (kVA)

Earthing system

Your DNO will provide this, as one of the following:

TN-S; TN-C-S (PME); TT; IT

Estimated annual consumption (EAC)**Site completion date**

The date you expect all external and internal work (if any) to be completed

Your preferred meter installation date

This must be later than the Site completion date; achieving it is dependent on registration process and the MOP's schedule

Meter position

Please provide details - and/or photos for WC and CT meter installations - to help the metering engineer.

Mobile phone coverage

If the mobile phone signal in/near your premises is poor, this may affect the connection to the meter. Please describe if signal is Weak/OK/Strong.

Declaration (if using Haven Power's appointed MOP)

Please tick "Agree" if you're happy with the statement and would like us to proceed with your new connection.

Once I have completed and submitted this form, and signed the necessary paperwork including a supply contract, I'd like Haven Power Limited to arrange the installation of a new electricity meter at the premises above. I understand and accept that I will be liable for the cost of any unsuccessful attempts by the Meter Operator to install the metering equipment due to me not providing site access/not ensuring the site is ready. I understand and accept that the Meter Operator is responsible for installing or removing meters and carries out this work on behalf of Haven Power Limited.

Agree

Declaration (if appointing your own MOP)

Please tick "Agree" if you're happy with the statement and would like us to proceed with your new connection.

Once I have completed and submitted this form, and signed the necessary paperwork including a supply contract, I will appoint a Meter Operator and arrange the installation of a new electricity meter at the premises above. I understand and accept that I will be liable for the cost of any unsuccessful attempts by the Meter Operator to install the metering equipment due to me not providing site access/not ensuring the site is ready.

Agree

Your agreement with Haven Power Limited

Complete the form and tick "Agree".

I agree to be charged for electricity in accordance with the Terms and Conditions and Pricing Arrangements under Haven Power Limited.

Your name: _____

Your job title: _____

Date: Agree
