

# Product Safety Recall

## Philips PerfectCare 8000 Series Steam Generator

**Versuni Australia Pty Ltd**

Pressurised steam iron (steam generator) with detachable water tank designed to iron clothes and linen using steam.

Product code: PSG8030/25 and PSG8040/65

### Reason the product is recalled and hazards to consumers

The steam boiler could split during use.

There is a risk of serious injury, damage to property or both if the boiler seam splits open.

### What consumers should do

Stop using the iron immediately.

Submit the product details on Versuni Australia's website or contact Versuni Australia to arrange a repair, refund or replacement product
