Cygnett Pty Ltd.

A magnetic Power Bank used to wirelessly charge a mobile phone.

Affected products can be identified by the product batch code on the back of the Power Bank.

- **Product Name:** Cygnett MagSlim Magnetic Wireless Power Bank 5K (Black)
- **Item Number:** CY5092PBCHE

BATCH CODE
LOCATED HERE

Why the product is recalled:

The housing of the Power Bank can come apart at the join due to swelling, compromising the battery and may cause it to overheat or catch fire.

Hazard:

Risk of serious burn injuries or property damage if the battery overheats or catches fire.

1. Stop using the Power Bank immediately and check the back of the Power Bank for **batch codes listed above**.
2. Return to your place of purchase to receive a full refund or replacement.
