Join the Apprentice Instructor Programme, 2021.

This Apprentice Instructor Programme aims to provide you with the skills and support you need to sit your Level One ski or snowboard exam. By combining teaching methodology, technical understanding and continued support, you will develop strong guest relationships and lesson preparedness.

Exams are run by [NZSIA](#) from mid-June and are internationally recognised, so when we are allowed to explore the globe again these qualifications will take you where you want to go.

Do something new today - escape from the rat race and experience winter in a whole new way. Base yourself at either Whakapapa or Tūroa ski fields and be part of the crew while you live and work at Mt Ruapehu.
