

Thursday 18th July 2019

Kia ora shareholders,

As we close the second week of school holidays with recent snow and the incredible Sky Waka now open, I wanted to reflect on the AGM held in May and provide some additional updates as we head into winter.

#### 2019 AGM

We held our 66<sup>th</sup> AGM at the Happy Valley Bistro on Saturday 11<sup>th</sup> May 2019, we presented our annual report and accounts and reflected on the previous 2018 season.

#### Appointment of Directors

In accordance with the Constitution the following Directors retired by rotation, and being eligible, offered themselves for reappointment:

- a) Murray Gribben
- b) Debbie Birch

The meeting confirmed the reappointment of these Directors.

#### Appointment of Auditors

The meeting confirmed the reappointment of Deloitte as auditors to the company and the Directors will be authorised to determine their remuneration.

The approved minutes of the 2019 AGM have been attached for your reference.

Again, I would like to thank my fellow Directors and management for their contribution during the previous 2018 season.

#### 2020 AGM

I can confirm that the 2020 AGM will be held on Saturday 9<sup>th</sup> May 2020 with the location to be confirmed.

#### 2019 Australasian Reporting Awards

Our effort since we started our non-financial reporting journey in 2016 has been recognised and our annual report for the financial year ending 30<sup>th</sup> April 2018 received a bronze award at the Australasian Reporting Awards in June 2019. We continue to identify areas for improvement in our Annual Reports and believe it's important to present a balanced view, highlighting items that we have had success in, as well as addressing those in which we haven't.

## Mike O'Donnell's resignation

I have accepted Michael (MOD) O'Donnell's resignation as a Director. I would like to thank MOD for his contribution to the Board and support for RAL during his time as a director.

# John Foley's appointment as a Director

John was engaged with RAL as a consultant in March 2019 and then appointed as a Director in June 2019. He will be seeking election by shareholders at our 2020 AGM. John has an extensive background in communications and advertising – starting out in New Zealand and going on to hold CEO and board roles for leading multinational advertising agency Saatchi and Saatchi in Asia and Australia.

With a passion for the business of sports and recreation, John now operates his own sports marketing and consultancy business - working with leading brands, sports organisations and elite athletes. John has enjoyed a lifelong obsession with Mt Ruapehu and the surrounding region and now loves sharing that with his young family at any opportunity. With John's background, skills and experience he has already made a valuable contribution and has been a great addition to the Board.

#### Chief Financial Officer (CFO)

I am very happy to announce the promotion of Jessie Watling to the new position of CFO.

Jessie joined the team as the Finance Manager in October 2013. She excelled in the role and has taken on increased responsibility over the past five years. Jessie was promoted to General Manager Finance in 2017 taking on leadership of our property, urgent care clinics, IT, development and systems teams, in addition to the finance team. Jessie has been our Company Secretary since 2016 and will continue with these duties.

Over the past few years the company has invested \$55m in new assets and we have big plans for the future with the next wave of development at Turoa progressing rapidly. The increasing complexity of our balance sheet and the workload associated with raising \$100m of new investment capital means we require specialist skills in this space and a more dedicated focus. As CFO, Jessie will take a lead role in managing our investor relations and putting together the capital funding we need to continue executing our \$100m investment strategy, she will also provide cover for the CEO when Ross is overseas or on leave.

It is an absolute privilege to promote staff from within, so please join me in congratulating Jessie on this promotion.

## Winter 2019 Skv Waka

The Sky Waka gondola opened to the public on the 2<sup>nd</sup> July 2019. This is a fantastic piece of infrastructure and I highly recommend you all come to visit this incredible piece of engineering. The Sky Waka gondola travels 1.8 km's through one of the North Island's most rugged and spectacular landscapes high on Mt Ruapehu, past waterfalls and snow-laden peaks. The ride will be equally as spectacular in the summer months.

The gondola travels from the Top of the Bruce base area directly to the Knoll Ridge Chalet and at peak times it will transport 2,400 people per hour over the 1.8km in approximately 5 minutes. The Sky Waka has fifty gondola cabins with floor to ceiling glass for breath-taking views, internal ski racks, audio and lighting and individual leather seats. It offers business-class luxury to passengers befitting of the UNESCO Dual World Heritage status of Whakapapa Ski Area. Each cabin accommodates 10 passengers and has more than 2m of internal clearance.

Until the upper mountain ski fields open Sky Waka will only be operating for sightseeing. Once passengers reach Knoll Ridge Chalet they can experience the newly renovated dining areas. At 2020m above sea level, with breath-taking views of the Pinnacles and valley below, Knoll Ridge Chalet is open year round for a breath-taking dining and sightseeing experience.

Again, we would like to acknowledge and thank the Provincial Growth Fund (PGF) who provided a \$10 million loan to RAL for the construction of the new gondola. The rigour of the PGF process gave the feasibility credibility when we pitched the bond to investors. Mr Mark Dunatjschik played a critical role, providing an underwrite which allowed us to proceed with construction while we finalised the bondholder negotiations.

A group of experienced investors from various Ngati Tuwharetoa entities came together, formed the Tuwharetoa Gondola Limited Partnership (TGLP) and took the largest stake in the bond offering at \$9.5m, or 66% of the bonds on offer – this huge contribution is what ultimately allowed the project to progress, we simply couldn't have done it without the support and vision of Ngati Tuwharetoa's network of experienced investors who quickly connected the dots between the economic, social and cultural opportunities that could be leveraged through this key asset in their rohe.

In addition to the PGF and the TGLP we are extremely grateful for the contribution of all investors who have invested to make Sky Waka possible, this also includes BayTrust, Māori Investments Ltd, Marotiri – Pureora Forest Hapu Cluster (FHC) Trust and Taupo and Ruapehu District Councils.

# Knoll Ridge Chalet

Over the summer months our team have been extremely busy refurbishing the Knoll Ridge Chalet to provide three distinct dining areas.

The Pinnacles Restaurant (Nga Tohu) boasts breath-taking views with floor-to-ceiling windows looking out over the Pinnacles and the valley below. New buffet breakfast and dining is offered along with an afternoon tea option.

Pataka (The Larder) offers fantastic barista coffee and an incredible à la carte menu offering classic New Zealand café style cuisine.

Four Peaks Alley has a selection of tasty dishes for the perfect grab and-go meal Food truck style. It is in a brand new refurbished downstairs area of the Chalet that was previously staff rooms and maintenance areas.

## Alpine Café at Turoa

Over summer the downstairs of the Alpine café at Turoa has received a minor "freshening-up", making better use of internal space and customer flow. The old serve-yourself school-cafe approach has gone - and has been replaced with a faster crew-serve approach.

The standalone coffee counter and tills have both been incorporated into the service allowing internal capacity to increase by 40%. The menu offering has been simplified to a quality pizza/pasta/salad offering.

#### Giant Café

Over summer, the Giant cafe was refurbished. It now has a more contemporary look and feel. The café has been redesigned to allow faster ordering and service, and quicker table turnover. Seating has also changed to a mix of low seating, seated bar leaners, and standing bar leaners - allowing internal capacity to increase by 15%.

Taking the 2018 customer feedback on board we have brought back barista coffee at the Giant and food options are a heat & serve simplified offering, with a mix of hot to-go options, and a quick-serve bain marie offering (served warm in flatbread or salad, with Argentinian steak, Jamaican jerk chicken, Turkish falafel).

#### Paddock to Plate

Our team have introduced a Paddock to Plate concept where we are extremely proud to serve dishes featuring produce sourced from local suppliers in a range of exciting new dining options across both sides of the mountain:

- Locally sourced beef from Awhi Farms in Ohakune
- Locally sourced venison and lamb from Waihi Pukawa Farm in Pukawa
- Locally sourced vegetables from Kim Young & Sons in Horopito

#### **Ohakune Snow Depot**

In early June we opened the brand new Ohakune Snow Depot at the Junction in Ohakune. Customers can purchase passes, lessons, rentals, programmes and full hardware retail in store. Our customers can also have their equipment serviced as they browse the store.

#### 2019 Transport

RAL has undertaken a transport pre-qualification exercise and awarded a 5-year exclusive supply agreement for the public transport shuttle services Taumata Ikaroa. The new brand Taumata Ikaroa is a partnership between Te Urungi o Ngati Kuri Ltd, the commercial arm of Ngati Kuri Trust Board, and Sand Safaris with a placeholder being held for Iwi/Hapu on the mountain.

The new 2019 service commenced on Friday 5<sup>th</sup> July with a fleet of brand new 4WD buses. Tickets cost \$20 per person return and are available from the ticket machines at the Park and Ride locations in National Park and Ohakune and some bus pick up locations. Tickets can also be purchased on mountain or at the Mt Ruapehu Snow Depots in Taupo and Ohakune.

Over \$5 million of investment has been made into the new fleet, which is comfortable, safe and has less emissions, something crucial in operating this service in a UNESCO Dual World Heritage National Park. The new buses will also meet the new Alpine Vehicle Specification and Code of Practice (Code).

RAL took a lead role coordinating an industry-wide review and the development of this new Code with the New Zealand Bus and Coach Association to ensure the increased risks of operating on alpine roads are clearly understood and well managed by operators across New Zealand's alpine areas. Operators have agreed to voluntary standards which lift safety across road management practices, vehicle selection, equipment handling and storage, and driver recruitment and training.

The 4WD buses are ideal for the alpine environment with under carriage storage for equipment, seat belts and large windows for taking in the incredible views of Mt Ruapehu.

# **Turoa Developments 2019**

Many of you will be interested in how Turoa redevelopment plans are progressing. The project is a multi-year investment which includes addressing the Giant, Parklane and Movenpick chairlifts, developing additional beginner lifts and facilities at the Wintergarden area, upgrading snowmaking infrastructure and café facilities.

Phase one of the project will take place this summer, and we can now announce that we have signed a contract with Doppelmayr to complete a major upgrade of the Giant chairlift starting immediately after we close this season. After 41 years of hard service the Giant is very deserving of this upgrade and we saw the importance of this lift last year when the High Noon was out of action, so it was ultimately an easy decision for the board when

assessing the first priority for the redevelopment. We have also now completed a significant snowmaking expansion providing top to bottom cover on the Giant which will be further enhanced by some pump upgrades this summer.

In parallel with the Giant project, we will commence the infrastructure upgrades required in preparation for the construction of a new high-capacity gondola lift to replace both the Parklane and Movenpick chairlifts subject to receiving Works Approvals. This will include upgrading the electrical infrastructure, relocating snowmaking equipment and other key enabling upgrades.

The consent process for the new Gondola is underway with stakeholder consultation and the completion of various impact assessments. We hope to receive our consent and Works Approval before next winter season. This will allow us to commence construction of the new Gondola in November 2020 assuming the capital raising, consent and works approval processes are all complete.

# Missing Shareholders

We are continuing to improve engagement with a wide range of our stakeholders, and it is pleasing that of our 4,061 shareholders we now communicate by email with 1,117 of them. After three years of trying to contact our "missing" shareholders we now want to tidy up our share register further.

The current position of our 4,061 shareholders is that we have no contact details for 50% of them (2,011 shareholders representing 21% of the shares on issue). Attached to this update is a formal notice regarding the forfeiture of the shares if you would like a list of the missing shareholders please contact the Company Secretary. Forfeiture of the shares will occur on the 31st July 2019. Shareholders have 12 months to make themselves known to the company.

We thank you for your continued support and look forward to welcoming you on the slopes for winter 2019.

Nga mihi,

Murray Gribben

# 1.0 Presentation of Annual Report for the year ended 30 November 2019

In presenting the Annual Report the Chair spoke to:

- We will remember 2018 for the fantastic start to the season at both sides of the mountain with two significant events:
  - Acknowledged the tragic death of Hannah Francis and noted that our thoughts are still with her and her family and will be for a very long time.
  - The second significant event being the Turoa avalanche which took out the High Noon Express.
- Whakapapa had a brilliant year in 2018 but with that came some teething problems with many Turoa customers visiting Whakapapa.
- Turoa did well in a financial sense but lost skier days due to the avalanche. The Chair acknowledged the Turoa team, especially the grooming team, who worked hard to ensure the customers still enjoyed a great skiing experience.
- The Chair noted that \$38m of revenue is the best the company has ever achieved.
- \$7m of EBITDA is a great result and noted not something that regularly happens.
- The investment into the Sky Waka Gondola will help with such results and provide future cashflows for the development of infrastructure
- Significant time has been spent on raising capital from local council, iwi and others for the Sky Waka Gondola.
- The Chair acknowledged and thanked those who helped fund the Gondola:
  - o Tūwharetoa Gondola Partnership;
  - o Māori Investments Ltd;
  - o Bay of Plenty Community Trust;
  - o Mr Mark Dunatjschik;
  - o The Provincial Growth Fund (MBIE);
  - o Ruapehu District Council;
  - o and Taupō District Council.
- The Chair provided a brief update on what is in store for 2019:

- o Sky waka Gondola
- o Knoll Ridge Café upgrades
- The Chair acknowledged the mammoth efforts of the staff throughout the 2018 season
- Acknowledged customers, shareholders and everyone who supported us in this period.
- The Chair also brought attention to \$55m of investment into the mountain over the last three years.

# Geoff Taylor spoke to the financials:

- Acknowledged awkward set of accounts to analyse due to the part period without \$4-\$5m of costs.
- EBITDA is a key measure for RAL.
- Increase in forms of financing. Essentially borrowing more money in different instruments. Noted all the funds for the Sky Waka have been sourced externally.
- Spoke to the question of how much is too much debt. RAL Board has set a measure where debt levels are based on profitability/EBITDA. Based on current results comfortable to a level of up to \$30m.
- Overall the year was a good year financially and currently in a period with increased risk as we go into an aggressive investment cycle.

The Chair took questions on annual report and accounts:

- Craig Ewington:
  - O Difficult to perform a financial analysis on 7-month period and agrees results are improving. Acknowledged that debt cap is important
  - Acknowledged things on track, annual report is improving, acknowledged missing graph in the report on visitor days. (Following the meeting confirmed version online does include Mt Ruapehu winter visitors graph)

# 2.0 Appointment of Directors

The Chair handed over to Duncan Fraser.

Duncan Fraser confirmed that the reappointments of Directors were supported by the other Directors and Trustees.

Rob Eller questioned if the secret ballot had occurred. Company Secretary confirmed secret ballot occurred in early April.

## 2.1 Murray Gribben

James Mackenzie moved that Murray Gribben be reappointed as a director, seconded by Joe Bouchier. Carried.

#### 2.2 Debbie Birch

Debbie spoke to her re-election and it was resolved that Debbie Birch be re-appointed a Director of the Company.

Murray Gribben moved that Debbie Birch be re-appointed as a director, seconded by Kevin Stanley. Carried.

Rob Eller outlined concerns with the process. His view was that the Board had not followed due process as two nominations had been presented to the Company by himself for consideration at the AGM.

Company Secretary spoke to criteria required to be met under section 32.4(e) of the constitution when nominating individuals as Directors:

- 1. Notice must be issued in writing and left at the registered office of the company a minimum of 3 days prior to the meeting this notice was received via email
- 2. Notice must be signed and seconded by a member qualified to attend the meeting and vote this notice was only signed by one shareholder and the seconder was not present at the meeting
- 3. The election must be of a person as a director two individuals were put forward as directors
- 4. Acceptance of the nominations and willingness of those put forward must be provided this was received

Chair outlined that The Company had sought legal advice and was comfortable with the process that has been followed.

Rob Eller asked if evidence can be provided regarding the secret ballot that took place. Company Secretary confirmed that this can be provided.

# 3.0 Reappointment of Auditors

Resolved that Deloitte be re-appointed auditors for the ensuing year and the Directors be authorised to determine their remuneration.

Moved Chris Scott, Seconded Tomas Huppert. Carried.

## 4.0 Director remuneration

Craig Ewington questioned market research. Chair confirmed it was conducted through the Institute of Directors (IOD) and compared RAL to other businesses with similar profiles, earnings and risk. Craig Ewington questioned if the IOD report can be provided. Chair confirmed that it can.

Hamish Bell noted revised remuneration is still under market based on the size and complexity of RAL. Encouraged the Board to think about this when bringing new Directors on board and additional work with subcommittees and other committees. Suggested that could look at supplementary fees for other roles. Congratulated the Board for what have achieved with the fees that are being paid.

Resolved that payment of directors' remuneration at an annual aggregate value not exceeding \$210,000, be approved.

Moved James Mackenzie, Seconded Hamish Bell, carried.

# Craig Ewington:

- Minutes are complete but resolution for Trustee travel expenditure not accurate. Need to amend from motion not moved to resolution not carried.
- If someone wants to put a shareholder proposal forward needs to know when date of AGM is, requested that date for 2020 AGM is in next shareholder correspondence. Chair agreed that this will be communicated when date is determined.

# Tomas Huppert

- Acknowledged work and commitment from Roger Manthel over many years. Round of applause was given for Roger's contribution to RAL.

## **Close of AGM**
